*The Politics of Borders:
Sovereignty, Security, and the Citizen after 9/11*

Matthew Longo
(Leiden University)

Chair: Professor Kalypso Nicolaidis (European Studies Centre, St Antony's College)

Discussants: Dr Jonathan Leader Maynard (Department of Politics and International Relations, Oxford), **Professor Andrea Ruggieri** (Department of Politics and International Relations, Oxford)

Tuesday 8th May 2018 5.00pm – 6.30pm

**Seminar Room, European Studies Centre, St Antony's College, 70
Woodstock Road, Oxford**

Border security is an obsession of our time. Why is this true and why does it matter? This book offers an in-depth look at border security in the US and worldwide after 9/11. The book contributes to debates within political science on sovereignty, citizenship, cosmopolitanism, big data, new security technologies, human rights and global justice.
