## Tax Efficient Giving

Residents of Germany can make a donation to Oxford through German Friends of Oxford University, a registered charity run by Dr Jan Willisch. Dr Willisch is also a partner at lindenpartners, a corporate law firm based in Berlin.

German Friends of Oxford University is authorised to issue donation receipts to German donors, entitling them to offset charitable gifts from their taxable income in Germany.

Gifts can be made fee-free through German Friends of Oxford University, as an alternative to giving via Transnational Giving in Europe (TGE).

Please note: as legacies are treated in the same way as lifetime donations for the purposes of inheritance and gift tax in Germany, you can also talk to Dr Willisch about leaving a gift in your will.
