Guide to collections relating to Israel/Palestine

Introduction

Please note that the following Guide is not comprehensive. It has been compiled from the main Guide to the Middle East Centre Archive and only collections in that catalogue that explicitly mention Israel/Palestine have been included. Not included in this Guide are several collections that cover the Middle East as a whole and thus may contain material relevant to Israel/Palestine. For example the Arab Bulletin; British Diplomatic Perspectives on the Middle East; Cairo Conference; Chatham House; Crow; A.G.M. Dickson; H.R.P Dickson and the Mance papers. For these papers please consult the main Guide to the Middle East Centre Archive.

Where a more detailed description of a collection exists, this is indicated in this Guide by the word 'Handlist'.
