Guide to collections containing Nineteenth Century Material

Introduction

Please note that the following Guide is not comprehensive. It has been compiled from the main Guide to the Middle East Centre Archive and only collections in that catalogue that contain Nineteenth Century material have been included or that include secondary works covering a period of Nineteenth Century history.

Where a more detailed description of a collection exists, this is indicated in this Guide by the word 'Handlist'.

Please note that uncatalogued material appears at the end of this Guide.

Please note TS means typescript. MS means manuscript i.e. handwritten.
